EDUCATION

St. Joseph's College (Autonomous), Tiruchirappalli Bachelor of Computer Applications June 2024 - May 2027

- **CGPA:** 7/10 – **Coursework:** PYTHON, JAVA, C, Web Technologies, DSA, ASP.NET, Software Engineering, Communication Network, Operating System, RDBMS.

PROFESSIONAL EXPERIENCE

Full Stack Development Internship - FrontierWox, Trichy May 2026 - June 2026

- Developed a Hall Booking System using the MERN Stack, covering frontend, backend, and MongoDB database integration.
- Built and integrated RESTful APIs, implementing hall reservation and management features with testing and debugging.
- Gained hands-on experience in the complete software development lifecycle, including requirement analysis, UI design, development, testing, and deployment.

PROJECTS

College Hall Booking System (done by internship) | *MERN Stack*

- Built a College Hall Booking System using the MERN Stack, enabling users to check hall availability, submit booking requests, and manage reservations through an intuitive web interface.
- Implemented secure authentication, RESTful APIs, and MongoDB integration, applying software engineering practices for efficient data management, testing, and deployment.

Website for Department of IT (Approved by Mentor) | *MERN Stack*

- Developed a responsive full-stack Department of IT website using HTML, CSS, JavaScript, Python (Flask), and SQLite, providing an interactive platform for accessing departmental information.
- Implemented RESTful routes, user authentication, form validation, and SQLite database integration, and deployed the application on PythonAnywhere for live access.

SKILLS

- **Programming:** Python, JavaScript, SQL
- **Frontend:** HTML, CSS, React.js
- **Database:** MongoDB, MySQL
- **Tools:** Git, GitHub, VS Code
- **AI & Development:** ChatGPT, GitHub Copilot, AI-assisted development, Prompt Engineering
- **Core Concepts:** Object-Oriented Programming, Data Structures & Algorithms, DBMS.
- **Operating Systems:** Windows.
- **Others:** Canva, PremierPro, CapCut, Content Creation.

ACHIEVEMENTS

- **Hackathon:** Runner-Up – Full Stack Developer Hackathon Jeyram Educational Trust

CERTIFICATIONS

- Application Developer - Jeyram Educational Trust.

LEADERSHIP AND OTHER ACTIVITIES

- **Project Team Lead – Internship:** Led the development team for the College Hall Booking System, coordinating task allocation, development, testing, debugging, and project delivery.
- **Chess & Sudoku:** Regularly practice chess and Sudoku, developing strategic thinking, logical reasoning, and problem-solving skills.
